Forecast for Wednesday 14 Oct 2020

Weather: An area of low cloud will slowly push in from the east during the morning with the chance of a shower. Low cloud will linger in places, mainly the east, but tending to break up through the afternoon to allow some sunny spells. Northeasterly winds easing through the day.

Chance of cloud free mountain/hill tops above 800m: Low through the morning but increasing slightly into the afternoon.

Visibility: Poor on hill tops for much off the day, good at lower levels.
